We are on the presence of a new, modern and luxurious Algarve villa that must be seen to be fully appreciated. It is finished to a very very high standard . Large is the correct word to describe this property both when considering the built area (with its 425 sq.m) and also when considering the plot of land (with its 16050 sq.m).

The four bedrooms are big and all en suite, there are also two additional bathrooms, a lounge, a fitted kitchen, one office and a double garage.

The swimming pool is heated to be always comfortable both on the summer as well as on the winter. For tennis lovers the good news is that the property includes its own synthetic grass tennis court.

Allowing maximum privacy to your guests there is also a two bedrooms annexe.

The gardens have an automatic irrigation system and lighting. In all a truly beautiful property.

The property is about 10 minutes away (on drive) from Porches and the International School, at the same time it is close to several beaches.
